N.B. In order for us to reclaim tax you must pay an amount of income and/or capital gains tax at least equal to the tax that we reclaim on your subscriptions or donations during the tax year. Higher rate tax payers can claim further tax relief on their self-assessment tax return. Whilst the declaration is in force, you should notify us if you change your name or address or if you no longer pay tax equal to the tax which we reclaim. You can cancel your declaration at any time for future subscriptions or donations.
